

The fate of the FM translator service is in your hands. I am an avid listener of Air 1 and do not care to listen to any other stations. If Air 1 were to be displaced by an LPFM broadcaster I would be forced to turn off my radio or listen to the other programming provided. The service provided by Air 1 is in the best interest of the public in that it provides commercial-free music and news and does not subject it's listeners to inappropriate information for children or others who care not to be subjected to the shortcomings of off-color humor.
